WHAT WE DO

Behavioral Health Services

Our behavioral health care includes inpatient treatment, specialized case management, and supported living.

Substance Use Services

VOA provides detox services, opioid addiction treatment, rehabilitation, and supported employment.

In-Home Care

VOA provides in-home supported care to seniors, as well as residential treatment for parents with children.

With our coordinated care model, VOA works closely with community partners to address an individual's full range of needs. Our long legacy of service shows that this results in deeply and permanently transformed lives.
